Search Strategy for using EBSCO Databases like Education Research Complete, Education Full Text, Academic Search Complete, & ERIC:

1. Enter partial or full book title in quotes (e.g., "adventures of beekle")
2. Click on the SEARCH button
3. Then Limit your Results: Under "Source Types," select "Reviews" from the menu

Note: You can't search by reader age in the databases; you have to read the reviews for age info.
