How to Search for Legal Cases on your Topic Using Names of Parties Involved

1. Click on the “Look Up Legal Case” menu

2. Enter the party names into the “By Parties” boxes and click Go

TIP: Double check all name spellings for accuracy
3. A list of results will appear for you to select from. Click on a case citation to open it.

4. Your selected case will now be displayed.
5. All cases are full text. Your export options appear in the upper right corner.

You have the following options:
- Print
- Email
- Download
- Export Bibliographic References – Use this option to get a citation of the case, then make sure it is in the appropriate style you need for your class.
